Item 4 - Other Business Activities

Tedd Bradley has a financially affiliated business as an independent insurance agent and as a registered representative with LPL Financial LLC. Approximately 10% of his time is spent on these activities. He will offer Clients products and services from these activities. As a registered representative and insurance agent, he may receive separate yet typical compensation.

These practices represent a conflict of interest because they give an incentive to recommend products or services based on the commission amount received. This conflict is mitigated by disclosures, procedures and the firm's fiduciary obligation to place the best interest of the Client first and the Clients are not required to purchase any products. Clients have the option to purchase these products through another insurance agent, registered representative, or investment advisor representative of their choosing.

Additionally, Tedd Bradley is a consultant for his family business, Mr B's Bar-B-Q LLC, a food product distributor. There are no crossover clients, therefore this is not a conflict of interest. Finally, Tedd Bradley is an instructor for White Glove Workshops offering instruction on retirement planning. Attendees of these workshops will not be solicited services of VPWM Advisors LLC, therefore there will be no conflict of interest. He spends less than 1% of his time on these activities.

Item 5 - Additional Compensation

Tedd Bradley receives additional compensation for his roles disclosed in item 4 above. He does not receive any performance-based fees.
