Item 4 - Other Business Activities

Samuel Holm has a financially affiliated business as an independent insurance agent and as a registered representative with LPL Financial LLC. Greater than 75% of his time is spent on these activities. He will offer Clients products and services from these activities. As a registered representative and insurance agent, he may receive separate yet typical compensation.

These practices represent a conflict of interest because they give an incentive to recommend products or services based on the commission amount received. This conflict is mitigated by disclosures, procedures, and the firm's fiduciary obligation to place the best interest of the Client first, and the Clients are not required to purchase any products. Clients have the option to purchase these products through another insurance agent or registered representative of their choosing.

Additionally, Mr. Holm is the owner of Rafter SH Outside Company LLC. There is no business currently conducted under this entity. He spends less than 1% of his time on this activity. There will be no crossover clients, therefore this activity will not pose any conflict of interest.

Item 5 - Additional Compensation

Samuel Holm receives additional compensation for his roles disclosed in item 4 above. He does not receive any performance-based fees.
